Dear Parent/Guardian:

Campus Life JV is an exciting youth program that your middle school son or daughter can be involved in this school year. We are proud to continue this program in your area after 19 years of involvement with students in DeKalb, LaGrange, Noble and Steuben counties. It is our utmost desire to keep you informed of this program and the activities we will be sponsoring throughout the 2009-2010 school year.

Each area Campus Life JV program is run by a group of 6-8 competent, Christian adults from your community who have a strong desire to make a positive impact on the lives of kids. Campus Life JV meets weekly and is completely open to all students, grades 6<sup>th</sup>-8<sup>th</sup>. There is no required attendance, membership or weekly dues.

Weekly meetings engage students in large group games, small group discussions, teaching about life skills (e.g. how to deal with peer pressure, making important life decisions, etc), and refreshments. Throughout the year we also sponsor area-wide trips and events like the JV Rollerthon, Michigan Ski Trip, Spring Break Trip, JV Camp and Downtown Chicago/Deep River Waterpark Trip, just to name a few! Campus Life JV, a division of Youth for Christ Northeast Indiana, is an interdenominational organization that encourages kids to grow in all areas of their lives and to explore and build their own personal faith in God.

Weekly meetings will begin **one week** after the "Kick-Off Party". The "Kick-Off Parties" are FREE for all 6<sup>th</sup>, 7<sup>th</sup> & 8<sup>th</sup> grade students. **A schedule of weekly meeting locations, days and times is on the reverse side of this letter.**

We hope your son or daughter can be involved! If you have any questions, please call the Campus Life JV/Youth for Christ office at (260) 925-1058. We look forward to another great year of Campus Life JV!

**SPECIAL ATTENTION: We are looking for Christian adults and parents to help on a weekly basis or at periodic special events. Please call right away at (260) 925-1058, if you are interested. Being involved with these students can make a big difference in their young lives**

Sincerely,

*Josh Robb, Jarod Brown, Mark Woods, Gerald Yoder and Mike Cain.*
